SS.16-3.

Note for answering supplementary questions.

~~Supplementaries~~ Subsidy are paid to local bodies towards one-half of the cost of construction of buildings for secondary schools under their control, subject to a maximum of Rs.35,000/- for each scheme. Subsidies for the construction of buildings for secondary schools for boys are sanctioned only when a special case is made out that such a subsidy is essential, i.e. when the local body concerned is unable to meet the entire cost of the scheme from its own funds or with the aid of donations. Applications for subsidies for building schemes are required to be submitted through the D.P.I. after getting the relevant plans and estimates approved by the Director. The question of admitting to aid schemes which are considered essential after scrutiny will be taken up for consideration as a Part II Scheme every year. Subsidies are disbursed, if the schemes are admitted to aid, on the post-execution system.

2. In connection with the Part II of the Budget for 1954-55, the S.O., Dt.Board, South Kanara, has submitted an application for a subsidy from State funds towards the cost of construction of a Hall for the Bd. High School, Coondapoor. The plans and estimates relating to the scheme have been approved by the D.P.I. ~~at~~ a value of Rs.32,600/-. The scheme if admitted to aid, will be eligible for a subsidy of Rs.16,300/-. The question of admitting this scheme and certain others to aid from State funds, is under consideration as a Part II Scheme for 1954-55. The S.F.C., while considering the Part II Scheme proposals, has recommended that the provision that will be made in the Budget for 54-55 for the payment of subsidies to new building schemes relating to secondary schools under local bodies, should be disbursed only among such of the schemes, as would be completed on or before 31-3-54. A report will be called for from the D.P.I. early in April '54 regarding

the stage of the various building schemes in question and orders will be issued regarding the admission to aid of the schemes based on the Director's report.
